

# Rex-Royal S 200

## Rex-Royal S200 CTI

The S200 CTI offers an even larger variety of flavours. Be it sweet dreams of chocolate or the scent of vanilla: The milling and brewing of the coffee as well as the newest technology in milk- and chocolate-powder preparation will make sure you get delicious instant beverages at the touch of a button. If desired, two beverages are prepared at the same time.

### Features

Coffee

Hot Water

Instant Products

### Advantages

- Two large instant powder hoppers expand your hot beverage menu to include delicious chocolate or, for example, a vanilloccino.
- Due to the convenient cleaning of the instant version and the large capacity of the two instant powder hoppers, the S200 with instant is also especially suited to the office.
- High-quality, solid brewing unit for up to 15.5 grams of milled coffee per brewing operation.
- „Double-Shot“ function for that „Extra-Shot“ espresso.
- „PerfectBrew“ for an optimal extraction of coffee for individual as well as double dispensing.
- Mains water connection or fresh water tank (3.6 litres) with integrated filter cartridge; drip tray optional with fresh water tank.
- High-resolution capacitive, 7“ colour TouchScreen for the programming of up to 24 beverages.
- Easy operation and care thanks to visual user prompts and automated cleaning.
- Modular construction of the coffee machine for short intervention and maintenance downtimes.
